The Catechesis of the Good Shepherd

The *Catechesis of the Good Shepherd (CGS)* is a Christian formation for children ages 3 through 12. Level I is for children 3-6 years, Level II is for children 6-9 years, and Level III is for children 9-12 years.

In the *Catechesis of the Good Shepherd*, the prepared environment, is called the atrium. The atrium is a place of prayer, in which work and study spontaneously become meditation, contemplation and prayer. It is a place in which the only Teacher is Christ; where both children and adults place themselves in a listening stance before his Word and seek to penetrate the mystery of the Liturgical celebration.

This retreat-like environment is a sacred space where children grow in the knowledge of Jesus' love for them. and are free to work with materials that represent the essence of the Christian message. These hands-on materials encourage children to explore and deepen their experiences at their own pace.

The catechist's role is to prepare the environment and materials; present works that call forth the child's response; then step back, allowing God and the child to work together. The *CGS* requires formation & training for the adult catechists for each level.

The vision for the *CGS* began in Rome in 1954 with Dr. Sofia Cavalletti, a scholar of Hebrew Scripture, and her collaborator, Gianna Gobbi, a Montessori educator. It has now spread to 37 countries around the world, including Canada.
